

SESSION 5: IDENTIFY AREAS OF GROWTH

 You may decide to facilitate a whole-group discussion, divide into smaller groups, or pair people up to answer the session discussion questions.

 You may have time to invite each pair or group to summarize their discussion for the whole group at the conclusion of discussion times. You may want to collect brainstormed activities on a whiteboard or easel pad.

DIGGING INTO GOD'S WORD

Reflect on the following based in 1Timothy 1:18-20 and 2Timothy 1:3-7...

1. Have you experienced a season when your faith "shipwrecked"? What helped you recover?

2. Do you know of anyone who is currently "shipwrecked" in their faith? How can you encourage them?

3. How are you "fanning into flame" the faith that God has given you and your household?

EVALUATING INVENTORY FEEDBACK

1. Were you surprised by any of the results?

2. Which are your strength areas?

3. Which are your areas needing growth?

ADDITIONAL REFLECTION

1. Are there any aspects of your household that you consider **UNIQUE**, that God may choose to use for connecting with others and impacting their faith journeys (examples: blended family, special needs child, untimely death of family member or a traumatic experience, travel or mission work, etc.)? Write them here:

2. If you are a couple or a family, prayerfully ask God to bring to mind singles (both youngers and elders) that God may want to connect with your household (think of neighbors, relatives, church members, residents of senior living centers, etc.). Write their names here:

3. If you are a single person, prayerfully ask God to bring to mind households (couples, single parent families, nuclear or mixed generational families) that God may want to connect with you. How can you invest some time and influence with them?
